

The tab Tests of Product Costs with Test 1 selected and run: the three views of fiscal 2026 for the finished goods, the model's revenue and margin beside the workbook's. Outlined in teal: the margin and the workbook's margin; in coral: the difference, zero for each view. The grid is scrolled one column to the right (Costing View[Order] is out of view). The tab holds 6 tests; the tab Checks holds a row for each value of Requirement 5 (211) and of Milestone 2 (12).
