draws on: all the requirements

The appendix: one page

Upper half: the data map

The join paths from the documents to the ledger, each with its key and its cardinality, and the account numbers of the Furniture items: 4010, 5010 and 1040.

draws on: Req. 2

Lower half: the reconciliation table

Quarter	Documents	Ledger	Difference
2026-Q3	*lines, total*	*ledger total*	0.00
2026-Q4	*lines, total*	*ledger total*	0.00

Revenue and cost side by side, both quarters.

draws on: Req. 4

Block heights follow the word budgets of the model memo, which add up to 570 to 830 words; the guide keeps the model to about 700. Each tag names a requirement whose results the part uses. The appendix has a map and a table and no word budget.
