Budget worksheet, one row *(Organizational Planning)*

FiscalYear	FiscalPeriod	CostCenterID	AccountID	Debit	Credit
2026	6	6	70	*amount*	0
2026	6	6	70	*amount*	0
2026	6	6	70	*amount*	0
2026	6	6	70	*amount*	0
2026	6	6	70	*amount*	0

GLEntry worksheet *(Accounting Core)*: all 5 rows with this cost center, account and period

Many ledger rows add up to one budget row: the actual spending for the budget row is the sum of Debit less the sum of Credit over the 5 rows that match on cost center, account and period. Amounts are named, not shown.

Solid amber: a key shared with another table group Solid gray: a key within a group
