23	Difference	0	0	0	0	

Item | PromotionProgram | Parameters | Analysis | **Ex 4.1**

Blue font marks the two input cells, named PeriodStart and PeriodEnd. Selected: E18, whose formula shows in the bar above; the InvoiceDate column is locked (bold) and SalesInvoice[GrandTotal] is left to shift. Outlined: the Difference row, zero in every column. The Invoices column (G) of the optional Step 6c is not shown.
