Revenue is in thousands of dollars so that twelve columns fit; the PivotTable shows whole dollars. Rows 1 to 15, which hold the first PivotTable, and column N, the Grand Total of the two years, are not shown. Blank cells are combinations with no revenue: only Design Services buys Services. Outlined: the Columns area, where FiscalYear sits above ItemGroup, and the Change from 2025 row of Wholesale, blank under 2025 and filled under 2026.
