Measure	2024: before the as-of date		2025: before the as-of date		2026: on the as-of date		What the measure gives
	JE-2024-000265 P&L to Income Summary	**JE-2024-000266** Income Summary to Retained Earnings	**JE-2025-000287** P&L to Income Summary	**JE-2025-000288** Income Summary to Retained Earnings	**JE-2026-000296** P&L to Income Summary	**JE-2026-000297** Income Summary to Retained Earnings	
Balance leaves out a close only when it is posted on the as-of date	✓ **kept**	✓ **kept**	✓ **kept**	✓ **kept**	× **left out**	× **left out**	**A pre-closing** balance sheet: the year-end reads before its own closes
Balance with Closes leaves out no close	✓ **kept**	✓ **kept**	✓ **kept**	✓ **kept**	✓ **kept**	✓ **kept**	**A post-closing** balance sheet: revenue and expense read zero
Balance on GL Amount leaves out every close, through GL Amount	× **left out**	× **left out**	× **left out**	× **left out**	× **left out**	× **left out**	**Neither:** the year's income never reaches equity

The six closing entries, two for each year, all dated December 31. At 2026-12, the latest month-end, Balance keeps the closes of 2024 and 2025, which are dated before the as-of date and move each year's income to retained earnings, and leaves out the two of 2026, dated on it (outlined). Equity then reads -20,928,484.44 under Balance, -25,432,095.68 with every close kept and -10,683,821.46 on GL Amount; revenue and expense read -4,503,611.24 (the net income of 2026), 0.00 and -14,748,274.22 (all years).
