Ex 14.2 | **Ex 14.3** | Ex 14.4 | +

Report view, page Ex 14.3, filtered to 2026; percentages read as the format 0.0% shows them. Outlined in coral: the Furniture row. Furniture's largest decline, in October (outlined in amber), and its largest increase, in November (outlined in teal), are the cells to find. Services (-37.0% to 42.7%) and Textiles (-30.7% to 38.1%) swing the most.
