

1 the table that holds the key ***** the table that refers to it Arrow: the way a filter flows

The model answer (18 tables, 16 relationships, all active and single direction). Each table lists some of its columns. The five fact tables and LaborPaths each relate to Date; Item, Account and CostCenter each filter two fact tables. Steps, Discount and Plant Measure hold a type-in table and two parameters, and Key Measures holds the measures; none has a line.
