Adjustments | **Statements** | Notes

Outlined: the net cash from operating activities, coral for 2026 (adjusted, then as recorded) and teal for 2025. Each pair is equal, so row 86 reads a dash: no adjustment moves cash, though the lines above the total differ. The change in cash of (941,310.30) in 2026 agrees with the balance sheets (row 85), and a zero is shown as a dash, as the workbook's number format does.
