

About

The first page: purpose, readers, source, period, and where each KPI is defined and tested. It holds the page navigator, as every visible page does.

Promotions

Sales manager

Revenue from list price to net; discounts by promotion

Budget

Department managers

Operating expense against the budget, flexed for volume

Plant

Production manager

Hours per standard hour over twelve months, against 2024

Validation

Controller

Control totals of the earlier chapters; the Tests tab

Promotion Detail

Drill-through: one promotion's terms, months, and lines

Cost Center Detail

Drill-through: one cost center's accounts

Promotion Tooltip

Tooltip: one promotion's discounts by month

Solid boxes are the visible pages, reached from the navigator; dashed boxes are hidden detail pages, reached from the page above them by drill-through or by pointing at a data point, and left by the back button or by moving the pointer away.
