Columns B to H (OrderDate to ApproverTerminationDate) are hidden. 14 orders score 1 or more: 11 score 2, then 3 score 1, in the order of the Table. Outlined: the two note-financed capital purchases of Exercise 8.2, PO-2024-001942 and PO-2026-011104. Each Disposition starts with Follow up and continues beyond the row; the classification is provisional until the policy, the configuration and the access logs are seen.
